## President's Message

- Loretta Carnes

Your new board of directors was selected at the March meeting. We welcome Mel Young and Len Zwarich to the team and look forward to another wonderful year.

We have some exciting events lined up for the next few months. Our April meeting will be held at the Trevi. Our guest speaker is Gates Perreault representing "The Adaptive Canuck". The campaign calls for Canada's parliament to pass legislation that would grant individuals with terminal illnesses, who have the consent of an approving specialist physician, the freedom to pursue experimental drugs and treatments before they are approved by Health Canada. Having participated as part of the Laurentian University Pipe Band in several of the ALS Walks in Sudbury, I am looking forward to this meeting.

Our May meeting will be held on May 18th and will be our annual "Member Appreciation Night" and "Pin Night". This year our event will be held at the St Mary's Ukrainian Church Hall on Notre Dame. Perogies and cabbage rolls are on the menu! RSVP is required as this is a catered event. Cost is \$30/person. Please confirm your attendance with Connie Zwarich. Phone 705 969 8496 or e-mail lzwarich@fibreop.ca

Also in May, several of our members will be attending the Regional Conference in Cranbrook BC. Doug Honeyford will become the Regional President at this year's event. Congratulations Doug, we know you will do well for A.C.T./UCT in this role. Don Delongchamp and Gil Hartley will attend as our delegates. Dave and I are truly looking forward to this year's conference.
