## President's Message - Loretta Carnes

It looks like spring has finally arrived. The robins and the snowbirds have returned. Once again, April has been a busy month for our local council. The guest speaker at our April meeting was Gates Perreault, advocate for Adaptive Canuck ALS Foundation. Gate's presentation was informative and entertaining. It was ironic that this was arranged months ago and we recently received the sad news that our dear friend, Ron Pifer of Orillia lost his fight with ALS. Ron will be missed in the A.C.T./UCT organization. Many of us knew Ron as an active participant at our Curling Bonspiels, Provincial and Regional Conferences.

Speaking of conferences, this year the Provincial Conference will be a teleconference on April 30th. George Faulkner will be our delegate. Jerry Giff will also participate. The Regional Conference will be held in Cranbrook BC. Don Delongchamp and Gil Hartley will be attending as delegates. I will be attending along with Doug Honeyford, Jerry Giff and Dave Carnes. At this year's conference, Doug will be installed as the Regional President for the 2017/18 year. More details will follow in our June newsletter.

What's happening in May – there is a lot and you are welcome to join us at these events

## ACT/UCT Golf Tournament

Our annual charity golf tourney is on August 19th this year at Forest Ridge Golf Course. We are looking for players, hole sponsors, gifts and items for our silent auction. Please check with family, friends and coworkers/bosses for any help they can give. These fundraisers are only successful with the help of our members.

Thank you.

Don Delongchamp, Golf Chair

## General Meeting - Connie Zwarich

April 6th found us at the Trevi with 20 members and 4 guests. The meeting was called to order at 6:00 pm. The usual protocol was followed with O Canada, Toast to the Queen, introduction of attendees and grace. Tracy Urso introduced our guest speaker Gates Perrault from the Adaptive Canucks ALS Foundation. Gate's son has ALS which is a progressive neurodegenerative disease. It has no known cure and is always fatal. Until they founded their foundation there was no research being conducted for ALS. They now have support from University of Toronto and the University Health Network Sunnybrook. These organizations are conducting adult stem cell research. They have adapted the motto - If you think you are too small to make a difference think of the mosquito in the room. More information can be found at [www.alscanuck.org](http://www.alscanuck.org)

Holly Brown thanked Gates and presented him with a cheque for \$500. All the monies raised go directly to research.

## Committee Reports

Member's Draw of \$70.00 went to Gil Charette who was in attendance. It pays to come out to meetings

## Adopt-A-Road - John Varney

This year's Spring Adopt-A-Road event will take place on Saturday May 13th. We meet at the Southeast corner of Power Street in Copper Cliff at 9 in the morning. That is the corner where you turn into Vale Engineering building. All you need to do is pick up trash in the ditches for about 1 1/2 hrs, so wear work clothing. Gloves and garbage bags are provided as is bottled water and a snack. Following the work detail everyone is invited to my house for beer and burgers. Please call me to advise you will attend. 705 674 1060.

## Bursary Recipient - Doug Honeyford

Back in 2007 your Sudbury Council set in motion a Bursary Program for students attending Laurentian University, College Boreal, and Cambrian College. The dollars that were invested at that time will provide funds annually to qualifying students.

Cambrian College held their 34th Annual Awards Reception March 22 and this year's recipient of the ACT/UCT Bursary is Tim Glasgow of Sudbury who is in his first year of Business Administration. Tim wants to pursue a career in Marketing, Accounting, or Human Resources and was delighted to be selected for this Bursary Award.

Tim will be joining us at a General Meeting in the near future and at that time he can thank you in person. It was a pleasure to make this presentation on your behalf. ACT/UCT Member you do great things. Your Community Spirit is appreciated.

## Member's Benefits - Doug Honeyford

I am pleased to let you know that again Sudbury Council 1051 showed positive growth numbers during our previous fiscal year. We were up by THREE members and again that puts us in the running for Gold Medal of Honor. With all the wonderful work you all do, that's just a great extra bit of recognition we all deserve from UCT at the International Conference in July.

Although we have just started a new fiscal term, we have a membership plus of TWO. Keep up the recruiting. Ask someone you care about to join our spectacular organization.
