President's Message - Loretta Carnes

As I write this article, some snowflakes are gently falling and the signs of Christmas coming are showing up all around me. It is one of the advantages of a downtown office! Our council activities over the next few weeks are centered around the excitement of the season.

- A donation of Christmas hams to the Elgin Street Mission
- Turkeys for the Salvation Army Christmas hampers
- Participation in the annual Salvation Army Santa Shuffle fundraiser
- CTV-Lions Children's Christmas Telethon
- Christmas gifts for the less fortunate in our community.

6 A.C.T./U.C.T. members delivered 30 hams to the Elgin Street Mission

For those of us who have not left for warmer climates, please join us at our annual Christmas Meeting on December 14th for some fun and fraternity. Instead of a gift exchange, please bring a gift of socks, mitts, hats or scarves to be distributed at the shelter.

Wishing you lots of love, joy and happiness.
 May your Christmas sparkle
 with moments of love, laughter and goodwill,
 And may the year ahead be full of contentment and joy.

Wishing you all a Merry Christmas and a Happy New Year!

Know Your Benefits - Doug Honeyford

Two items you may wish to make note of, UCT Members can access a variety of Scholarship Programs for Children and Grandchildren if dependent. We have our local programs for Members and UCT has several. Have someone going to Post Secondary Education next year, ask for the details.

Ever need to rent a car? Did you know UCT members save up to 25% with either Avis or Budget Rent A Car? Just another example of how it pays to be a member. Need information, just ask!

UCT now offers online payment option for Canadian members

Dear UCT Member,

UCT is pleased to offer a new way to pay for your membership dues via Interac e-Transfer.

Click on the link below to see an overview of Interac e-Transfer on how to send money directly to UCT using your online or mobile banking. Make sure to scroll down to check out the short video in the link as well.

Interac - For Consumers

Interac e-Transfer is a great alternative to cheques and cash. Canadians are using it to simplify their everyday person-to-person payments. All you need is access to online or mobile banking through a participating financial institution, and you can send money to anyone with an email address without sharing any personal financial information.

When submitting your online payment make sure to include your policy number in the email to jpierre@uct.org. As well when setting up your security question, make sure to include the answer to the security question in your email to Joyce or contact Joyce with the answer, which allows UCT to accept the Interac e-Transfer.

UCT will still continue to accept all methods of payment such as cheque or credit card but now you have the added option to pay via Interac e-Transfer through your online or mobile banking platform.
