President's Message - Don Delongchamp

Hello everyone, I would like to start by saying Spring is finally here. I hope by the time the bulletin comes out it actually will be here. It has been a very long winter. Welcome home Snowbirds! I am looking forward to seeing you at upcoming meetings. We have a fun filled year planned for our club this year.

Our first main event will be our Member's Night to be held on May 12th at Curl Sudbury (Sudbury Curling Club). We have 20 members who are due to receive their service pins. Please attend and help us honour these deserving members.

There will be a dance afterwards with great entertainment. The theme will be 50s/60s Rock and Roll/Country Western so please feel free to dress in your genre of choice if you wish. There will be prizes for the best costume, spot dances and a door prize. This will be an exciting evening so please plan on attending. Friends and family are welcome to join us. Please let Connie Zwarich (969 8496) or myself (690 1811) know by May 1st. Cost is \$30.00 for members and \$35 for non members. Dance only will be \$5.00/person.

Our Provincial Conference will be held in Sudbury April 27 – 28th. We will keep you posted of the outcome of this meeting.

Our National Conference will be held in Calgary this year. Don Delongchamp and Len Zwarich will be attending as your delegates. Connie Zwarich and Jerry Giff will also be attending to support our own Doug Honeyford as National President.

I am looking forward to seeing many of you at our meeting on May 12th.

We also need prizes and items for our silent auction table. We sell Hole Sponsorships for \$100. The sponsor will have a sign placed at the tee off area as well as their names in our rule booklet. Local Council Bylaws Review - Gil Hartley

Your local council executive is in the process of reviewing and updating the bylaws that they follow for council activities. Currently these rules outline in broad terms the charitable activities that we support. These include youth sports, community based charities and members support activities. Should you have any suggestions that you feel the executive may include to meet our overall goal of "Where Community and Compassion Unite" please send them to Gil Hartley before May 1st at hartley.g.d1@gmail.com Thank You

Adopt A Road

Adopt A Road will be held on Sat MAY 5, 2018 in conjunction with the City of Greater Sudbury's annual spring clean-up blitz. Please come out and join us for some fun a just a bit of work. We meet at the south west corner of Power St and HWY 17W in Copper Cliff (that is the entrance road to Vale engineering) at 9 in the morning. Wear clothing suitable for light work. Safety vests, and work gloves will be provided as well as garbage bags. The task is to clean up the ditches between Balsam St in Copper Cliff and Fielding road. It only takes about 1.5 hrs and is done in teams of two or three, so lots of time to socialize. Following the cleanup, everyone is invited to my home at 557 Ash St for burgers and BEER. Give me a call at the number below to let me know you will attend so I can have enough equipment, food and BEER.
