

President's Message

Don Delongchamp

Fellow members, well spring is just around the corner, all this snow should be gone shortly, around June might do it.

As I finish up my first year as President of this very worthy organization I would like to thank all of you and especially your executive board for all their help in guiding me in the past year.

We had a very exciting and fun filled year to celebrate our 75th anniversary and it was most memorable.

Our March General meeting will also be our elections meeting. Please come out and support your new council for this coming year. They all work very hard on your behalf and truly deserve your support. They will once again represent all of you with Pride and Dignity.

We are lining up some fun and interesting meetings for this year. To start with our Member's Night will be held on May 11th at the Helenic Centre on Ester Road. This will be a suit and tie Gala so please mark it on your calendar and plan to attend. Feel free to bring a friend or relative, the more the merrier. We will have numerous members receiving pins that night including a 50 year member.

As always I encourage all members to try and make it out to our monthly meetings and bring a friend. It is through these invites that we sign up new members. So many less fortunate people depend on clubs such as yours to give them a helping hand when they are down and out and could use a little support, The Joy you feel from realizing you helped out a person in need is extremely gratifying.

Once again myself, Connie and Len Zwarich, Doug Honeyford and Jerry Giff will be attending the National Conference in St. Albert Alberta in May on your behalf.

Our very own Connie Zwarich will be putting her name forward to sit on the regional executive. If elected, in a few short years Connie will be our National President. Congratulations Connie and we all know you will do us Proud.

General Meeting

Connie Zwarich

For our meeting February 7th 17 hearty souls braved the horrible weather and made it out to the Parthenon. Unfortunately our guest speaker was ill and could not make it out to the meeting. The call to order came at 6:05 and after the usual protocols the members present introduced themselves. President Don reminded us that March 7th is our elections meeting. The Touch A Truck event is being held again this year June 15th, Father's day weekend again at Cambrian College. Mac Tools has already committed a truck to the event.

Motion to adjourn came at 7:30. Because of the small turnout we did not have a sheriff. The member's draw was won by Jeannine Desjardin but as she was not in attendance it will carry over to the March draw.

Roses for the Living

Doug Honeyford

We ask you at this time to consider nominating an individual in our Sudbury Council who throughout the years has gone above and beyond to help make our Council, and the communities we serve even better than could be expected.

Your nomination will be presented to the "Roses" board selected by last years recipient Mike Lepage and this group of Past Roses honorees will have the daunting task to select just one person, who has never previously won this award to be our 2019 recipient.

Please send your nomination by email, fax, or notification in writing...outline the reason you feel the individual is worthy...we will also have a supply of forms available at the March General Meeting. The Award will be presented at the May Member Gala.

Last date for nominations
April 15, 2019.
