

## President's Message

Don Delongchamp

Hello members, I hope everyone had a safe and enjoyable summer. Don't complain about the hot weather right now because before you know it we will be bringing out our shovels!

It has been a busy summer for your club, On June 15th we held our 2nd Annual Touch A Truck event. Once again it was a huge success and was enjoyed by over 650 visitors. I would like to congratulate the organizing committee members and volunteers for all their hard work.

Although we did not hold any general meetings in July or August we were still quite busy and hard at work. We attended 3 minor league baseball games as we sponsor two teams,

a Junior Rookie team and a Senior Rookie team. We had a great time cheering them on and providing hats for their new uniforms as well as some refreshments.

Our Golf committee was very hard at work organizing our 20th annual charity golf tournament being held on August the 17th.

The next General meeting will be held at the Parthenon Restaurant in Val Caron on September the 5th at 6:00 p.m. Our guest speaker that night will be a representative from the Alzheimer's Society. This will be a very informative and interesting meeting so please plan on attending and bring a guest!

Once again I encourage all members to come out to our enjoyable and fun meetings and bring a friend with you. Remember you joined this club because you believe in what we do for the so many less fortunate in and around this city, so by bringing out a guest they may just feel the same as you and could also become a member of this wonderful organization.

We can only keep up the viability of this club if we replace those we unfortunately lose. So please help us replenish our membership by bringing out a guest to one of our monthly meetings. Thank You Don Delongchamp

### Good of the Order

Two of our members have passed away, David Hunter and Fern Levesque. Our condolences go out to their families.

Motion to adjourn came at 6:55 by John Varney. Sheriff's pot of \$12.60 went to Joe Wilcox. The member's draw of \$72 went to Connie Zwarich.

Members then enjoyed darts, cards and a putting contest.

## Sick and Visiting Committee

As our members age this is a committee that becomes very important. Doug Honeyford is heading this committee. If you would like to volunteer to be on this committee please contact Doug.

If you know of someone who has passed away or is sick please call or e-mail George Faulkner phone 705 586 1937 e-mail george.e.faulkner@gmail.com. We will send a card to the family or person.

## Line Up Those Ham Sales

Probably we are all aware that the annual sale of Hams is a major fund raiser for Sudbury UCT Council 1051. Perhaps it seems a little early to start thinking of Christmas but please start to make your list of those who you will sell to this year. We expect to have the first shipments ready for distribution in November and your participation in this important program will again help us to provide assistance to the less fortunate.

Contact Doug Honeyford or Don Delongchamp for details.

## 65 Year Member Profile - Roland Clements

During our members Gala held on May 11th at the Helenic Centre I had the extreme pleasure of presenting Mr. Roland Clements with his 65 year pin! Rolly has been a member of the Sudbury Council for almost as long as it has been in existence,.

While talking with Rolly he indicated he joined the A.C.T 65 years ago as all the other members at the time did because they had a hard time to get insurance for themselves while they were on the road constantly, serving all their clientele. This was a way for them to insure themselves.

Rolly stayed with the club even after retirement because he believes what this club does is vital for the less fortunate in this city.

We would all like to once again thank him for all those years of dedication to our Council and wish him many more years with us. Congratulations Rolly!

*Rolly Clements 65 Year Member*

The "lazy, hazy, days of summer" found some of our Sudbury 1051 members out enjoying junior baseball games with their two sponsored teams. Both were victorious displaying their new logo wear and enjoying the visit of some special fans. Sudbury 1051 is the longest sponsor of minor baseball in the City of Sudbury, dating back decades..a proud UCT tradition.

## Members Matter

Over the past few weeks your Council has been able to donate money to many different organizations - Sudbury Manitoulin Children's Foundation, Cystic Fibrosis, Sudbury Minor Baseball, House of Kin just to name a few.

Our fund raising is only possible because of our Membership, and this year again, our Membership is growing. This is where we need your help.

Please be certain when your membership renewal comes in that you immediately phone with your credit card in hand and get paid up and for every NEW member you bring in during the next few weeks our Regional President will reward you with \$10.00, now that's a nice deal.

When you obtain a new member please get the application and payment to me so we can be certain you get the credit. Need a Membership application, or have any Membership questions, call me 705-525-7777
