

## President's Message

Don Delongchamp

Hello Members: Spring will soon be upon us, I have it on good authority from my friend Willie and he wouldn't lie, would he?

We are beginning a new year in our club and I am looking forward to many fun and exciting events and meetings, I hope you are also!

I would like to thank all of you for your continued support of your club for the past year. We also owe our thanks to your Executive Board for their tireless work that raised a record amount of funds this past year. With these funds we are able to help and support so many needy groups and organizations who depend on us in order to survive.

A big thank you goes out to Doug Honeyford and his helpers for a very successful Ham Sales Campaign. Thank you to all who bought or sold hams. It was greatly appreciated!

Our March General meeting will be

held on March 4th at the Weller St. Legion, Branch 76 location. This will be our election meeting and I strongly encourage you to come out and show your support for your new Executive that will be sworn in. They truly work very hard on your behalf, so bring out a friend and enjoy this special night.

Our April meeting will be on April 1st at the Ukrainian Church on Notre Dame Ave. This will also be our Members night where we hand out many awards and pins to our deserving members. We will have a great meal and possibly some entertainment, so please mark it on your calendar and bring a guest.

In May we have five of your executive members attending the National Convention in Kelowna B.C. Our own local secretary Connie Zwarich will be sworn in as the Regional Vice President. We know she will do a great job and do us proud. GOOD LUCK Connie!

In closing I encourage all members to continue their membership and please bring a friend, neighbour, relative, or co-worker out to one of our meetings. We are sure they will enjoy it. We have lost numerous members this year due to their passing. The only way we can continue to be a viable club is to replace these members we have so sadly lost. That is why it is upon us all to try and sign up a new member or two. It is a very affordable club to join and there are some great discounts with numerous companies, including great discounts on Home and Auto Insurance.

We can only continue our quest to help the much less fortunate in our district with your help.

Thank You Don Delongchamp

## February Meeting Notes

Our meeting was held February 5, 2020 at the Branch 76 Legion with 17 members and 4 guests in attendance. Vice President John Varney called the meeting to order at 6:00 pm. After the usual protocols and introduction of guests John introduced our guest speaker Terry Gauthier, a Dive Master, from the Dolphins Aquatic Club. This is a club which works closely with us. They have participated in our Adopt a Road, Golf Tournaments and they sell hams for us. They offer scuba training to people from age 12 and up. He stressed safety is paramount with the club. He demonstrated the

equipment they use. Because they train younger children there is a need for some smaller equipment to fit these children. Terry was thanked and presented a cheque for \$1000.

Doug Honeyford spoke about Heart and Stroke. He hopes some of our members will support this organization.

Doug also spoke about membership. There have been 9 members who have passed away this year and several memberships have lapsed. We have only had 2 new members. We need to recruit more members.

Curlers are needed for the House of Kin Bonspiel at the end of March. If interested contact Dave Carnes

Motion to adjourn by Tracey Urso at 7:30 pm

Sheriff's Pot of 18.65 was won by Lucy Nadaeu

Members Draw was won by Sue Frappier who was not in attendance. The funds are carried over to our next meeting. That pot is building up. It could pay you to come out to our next meeting.

## Humour

### STINGY OLD LAWYER

A stingy old lawyer who had been diagnosed with a terminal illness was determined to prove wrong the old saying, "You can't take it with you."

After much thought and consideration, the old ambulance chaser finally figured out how to take at least some of his money with him when he died.

He instructed his wife to go to the bank and withdraw enough money to fill two pillowcases. He then directed her to take the bags of money to the attic and leave them directly above his bed.

His plan: When he passed away, he would reach out and grab the bags on his way to heaven. Several weeks after the funeral, the deceased lawyer's wife, up in the attic cleaning came upon the two forgotten pillow cases stuffed with cash.

"Oh, that old fool," she exclaimed. "I knew he should have had me put the money in the basement."

## Past Roses Recipients

The Roses for the Living award was adopted by A.C.T. from UCT at our merger in 1993. It can be presented only once to any member of the local council. It can also be presented at the regional and international levels. A committee of previous recipients is formed each year and they review nominations from the general membership. The selected recipient is usually presented at the annual gala event following the election event. The poem 'One Little Rose' is read and a dozen Roses as well as a plaque are included in the presentation.
