

President's Message

Don Delongchamp

Hello fellow members, Spring is finally arriving even though it is taking its time. The nice weather will soon be here and along with it a new and exciting year for our club.

On March 4th we held our general meeting where our new executive was sworn in.

I would like to thank all those who have stepped forward and have agreed to lead our great organization and to also thank those who were on our board last year for their help and guidance, it is greatly appreciated.

Our April meeting will be held on April 1st (no joke) at the Ukrainian Hall on Notre Dame Ave. This

will be our Members Appreciation night where we honour members with well deserved awards and pins for their continued years of membership. Suzanne Fortin will be in touch with you and please be supportive of this meeting and also bring out a guest. They will enjoy this fun evening.

MEMBERS!!! We are in drastic need of your help. Our membership is dropping, sadly due to the passing of numerous members this past year. In order to maintain our Gold Medal of Honour that this club has so proudly held for over 10 years we need to sign up new members by March 25th. For only \$48 for the year your friends or family

can become a member which will give them great satisfaction by knowing they have helped so many organizations and youth sports groups that so desperately need our assistance. They will also be entitled to numerous discounts for hotels, car rentals and considerable savings on home and car insurance.

Your club has distributed close to \$30,000.00 this past year on your behalf and we can only continue to do this great work with your help, so please sign up 1 new member to help us reach our goal as one of the strongest U.C.T clubs in Canada.

Thank you Don Delongchamp.

Humour

Don't shampoo in the shower. It's so good to finally get a health warning that is useful!

Don't know why I didn't figure this out sooner. I use shampoo in the shower and when I wash my hair the shampoo runs down my whole body. Printed clearly on the shampoo label is the warning, "for extra body and volume." No wonder I have been gaining weight.

Well, I've gotten rid of that shampoo and am going to start shampooing with Dawn dish soap. Its label reads, "dissolves fat that is otherwise difficult to remove."
