President's Message

Don Delongchamp

Fellow members: I hope this newsletter finds all of you safe and healthy. The leaves have changed, the colder weather is upon us, and with that the need for our club increases. The less fortunate will be looking to us and others to help them stay warm and be fed over the winter.

We had a great September meeting with two very interesting guest speakers. I want to thank all members who made it out. It is so gratifying to see such good turnouts at our meetings. Once again, a big thank you to our phone chair Stephanie who is doing a great job!

Our Christmas meeting will be held on Dec. 1st at the Legion. I want to encourage all members to attend. Instead of exchanging gifts for the last few years we have asked those attending to go out and spend a few dollars and bring either, hats, mitts, gloves, or socks that we then donate to the homeless and less fortunate so they can make it through another cold winter.

We will also have our enjoyable trivia night with "Big" prizes to be won. It really is a fun evening that will help so many.

As you know our Ham Sales Program is in full swing. This is our only fundraiser this year so it is

very important for all our members to either buy or sell a ham or two so we can replenish our coffers. You can call any of our executive with your orders. We will even deliver them to you or for you.

Please watch for our phone panel on December 4th on the C.T.V. Lions Club Telethon. We will be on from 6 to 7 p.m. Please call in with your pledges, as we all know every child deserves a gift at Christmas time. We will also be doing a donation your behalf.

In closing I hope everyone had a Happy Halloween. Please stay Safe and Stay Healthy.

October 6th proved to be another great meeting. We had close to 30 members in attendance. The Legion put on another delicious meal of chicken and pasta. Loretta Carnes introduced our guest speaker – Cindy Bertolo and Ashley Grant from the Salvation Army Cedar Place. Cindy is the daughter of long-time member Albert Bertolo and Ashley is the Program Manager for Cedar Place.

Cedar Place is a homeless shelter. It has 23 beds. Currently there are 9 children with their families in the shelter. They also support single fathers and same sex couples. They provide pastoral care, clothes, meals, and support. They try to connect the clients with support services to provide employment and/ or suitable housing. They are available 7 days a week, 24 hours a day.

The Red Shield Fund and City of Sudbury provides some funds. The Santa Shuffle is one of their fundraisers. This year is a virtual event. Loretta and Don presented them with a \$500 cheque for the Santa Shuffle.

Lucy Nadeau was inducted as a member by President Don. She was sponsored by member Gil Charette.

Don and Dave spoke about ham sales. You can find information about hams at hams@uctsudbury.ca

Meet Your Executive

I have been asked to provide you with a bit of personal information to help each of our members know a little bit more of Sudbury Council's Executive. When I joined in August 2001, my sponsor Rick Carrey mentioned I would get to know some really great people, who do really great things, but little did I expect such a wonderful experience. I have served on our local Executive since 2002, been honored as Member of the Year twice, and received Roses for The Living. I was elected to the Regional Executive in 2013 and served through the chairs becoming Past Regional President in 2018. On the International Level I have been pleased to chair several Committees and participate in many more, and currently I am President of The Canadian Delegation to UCT and I will allow my name to stand for election to the Board of Governors at next year's International Conference.

I started in the Insurance business in 1969 and after several years of transfers and uprooting we returned to Sudbury and opened our own agency in 1995, Honeyford Insurance, a family enterprise along with my wife Grace, son Kevin, and daughter Rhonda. This past August we merged our office with Brokerlink, so alas I get to retire and hopefully soon start to travel the world again.

Grace and I have been married for 52 years, Kevin and Rhonda have blessed us with four grandsons...the youngest is 3, the oldest 20.

I am so thankful that Rick asked me to join UCT back in 2001. Our organization changes the lives of many, we do so very much for others, but I have found we receive so much in return for the hours we devote to the wonderful communities we serve.
