## President's Message

Don Delongchamp

HAPPY NEW YEAR! Once again, I hope this finds everyone Healthy and Safe. It has been a very trying time in the past 2 years as we try and survive this awful Pandemic, we must all do our part in staying healthy and working our way back to some sense of normalcy.

As regulations are changing constantly, we find ourselves having to postpone our January General meeting once again. We will continue to monitor things and hope to be able to get back to in person meetings again as soon as it is safe to do so.

I want to thank all our members and friends who bought or sold some Hams for our latest fundraiser. Due to your continued support, we had another successful campaign. We could not have done it without you.

This past month your club has managed to continue our support of many organizations. We donated \$1000 to the Children's Telethon, \$800 To Our Children Our Future, \$500 to The Dolphins Aquatic Club who

partner with us in our annual road cleanups, items and clothing for the Elgin St. Mission for the homeless, and also \$350 to The Hug a Friend Blanket campaign. This is a group of dedicated ladies who sew and make

themed blankets for Cancer patients who get to use the blanket while in the hospital and take them home with them. They are very thankful to have their own blanket.

So you can clearly see why it is so important for you to continue your support and maintain your membership in this

worthy organization. All you have to do when you get your notice is to call Joyce in Calgary with your credit card. If anyone needs help in any way to do this, please contact any executive member and we will be glad to help, their numbers are in the newsletter.

In closing I want to once again wish everyone a Happy, Healthy and prosperous New Year.

Regionally and Internationally the Executive usually meet and again it has been by Zoom to discuss similar matters that affect all Councils.

Your dedication and input can help make our organization much stronger. I would like to hear from you. Please consider allowing your name to stand for office. Call me at my home 705-688-0515
