President's Message

Don Delongchamp

Fellow members: Finally, Spring is just around the corner! Along with the good weather, hopefully we will see the end of this horrible pandemic and will be able to get out and enjoy the fresh air, it will be great to get back to some sort of normal life again.

We had a great turnout for our elections meeting in March. I would like to personally thank all of your executive for stepping up and staying on for another year. We also want to welcome two new members to our executive, Jim Patterson, and Brian Coleman. I know you both will be an asset to our club and we look forward to your input.

Our April meeting will be held at the Weller St Legion on April 6th, we have an interesting guest speaker coming so please make an effort to attend. If you do not receive a call from Stephanie, please feel free to contact any executive member and we will be glad to reserve your seat.

I want to once again remind everyone of our upcoming Golf tournament on August 20th at Forest Ridge golf course. We are in need of Players, prizes items for our silent auction and hole sponsors. Please support us in this much needed fundraiser. If you can get a team together or want to come out as a couple or individual it will help us out a lot. This is a fun filled day and well worthwhile attending. Please contact me with any support you can give us.

It is very important for all members to renew their membership when it comes due. If you need any help in sending in your dues please contact any of us and we will certainly help you with the process. It is only with your continued support and participation that we can keep this wonderful organization viable and strong. Your club is so important to our communities in the effort to help the needy and less fortunate members of our society.

In closing I want to wish everyone a happy spring and stay safe and healthy.
