Sudbury Council 1051  
OCTOBER 2022

## *President's Message*

Don Delongchamp

Fellow members, well these nice days of summer are giving way to Autumn, I hope it will be a colourful and warm season for all.

Our meeting in August was very well attended and we enjoyed two very interesting guest speakers in Joe Drago and Julio Navarro from Inner City Homes. I thank all of you who attended this enjoyable social evening, it was great to see all of you there.

Our October meeting on the 22nd at Curl Sudbury will be our first Members Appreciation night in 3 years. Over 80 members have a 5 yr. Increment pin due them, also some 50 and more year plaques are to be given out as well as other awards. I sincerely urge all members who are contacted by our phone committee to come out that night and receive your well-deserved pins and awards. We also encourage all other members to come out and support these deserving people. If you are not contacted, please feel free to contact me or any executive member and we will be more than happy to save you a seat. We do need answers by October 15th so we can give the venue a solid number for meals, and guess what, to show how much your club appreciates you, all attendees will have their meal covered by the club, so this will be a free evening out other than a cash bar.

On another note, I want to personally invite all our North Bay friends such as Norm, Johanne, Richard, Bruce, Jim, Andre, Fred, and any others that I have not had the pleasure to really meet. Please try and make the short trip up to Sudbury that night. Most of you have pins coming to you. This would be the perfect social evening out for you to meet your fellow members and can also discuss what we can do for you and your area, so please join us.

In the last couple of months all members can be proud of the monies you have donated to the much needy in our areas, such as \$1000 to Parkinson's, \$450 to L'Arche, \$1000 to the House Of Kin, \$1500 to Inner City Home Food Bank. So even if you are not able to make it out

to a meeting or an event just the fact that you continue to be members is the reason that we can help so many. Therefore, I continue to urge all members to renew their membership when it becomes due. Such a small amount helps so many.

Our ham sales program is ramping up and we need your help once again. If every member was to buy or sell 2 hams it would go a long way to making this our best year ever. These delicious Black Forest hams make great Christmas gifts for friends, co-workers, family, and neighbours. This is our biggest fundraiser for the rest of the year so let's knock it out of the Park!!!

In closing I want to wish all of you a safe and happy Autumn.

Stay Safe, Stay Healthy, thank you.

## *Membership Notes*

We all receive our UCT Membership renewal through the year and although things have changed a bit, it is still so very easy to pay your dues and keep up to date. You can e-transfer the funds to Calgary. Just call Joyce Pierre for the details. You can send a cheque. You can call Treasurer Dave Carnes with your Credit Card Info. You can pay online as outlined with your dues notice

It is very important to keep paid to date. Our 50 year plus Members can request the Council pay their dues as a reward for their years of dedication.

For information on the spectacular perks of Membership contact Board Member Doug Honeyford. Your Council needs you.

# Secretary's Report

Connie Zwarich

Our September General Meeting saw us at a new venue – Curl Sudbury. We had 22 members and 4 guests in attendance. It is sad to think this is the last time we will toast the Queen. Next month it will be a toast to the King. The pasta and chicken supper was excellent.

Our guest speakers, Joe Drago and Julio Navarro, were from the Inner City Home. This is a not-for-profit organization that is an emergency food bank. Before Covid it was also a place to gather and socialize. They also offer courses such as anger management and money management.

They do not receive any funding from government sources. There is only 1 paid employee, the rest are all volunteers. They require \$250,000/year to run. In 2022 they have served 5199 families.

A \$1.00 cash donation is turned into \$3.00 worth of food at National Grocers.

They are in great need of volunteers. Volunteers work 2-hour shifts. If anyone is interested, they can contact the Inner City Home.

Don Delongchamp and Doug Honeyford presented Joe Drago and Julio Navarro with a cheque for \$1500.

Our October Member's Night is scheduled for October 22 at Curl Sudbury with social at 5:30 pm and supper at 6:00 pm. There are approximately 80 members who are eligible to receive pins.

Meeting adjourned at 7:20 pm.

## UCT Hams

You are all aware that our sales of UCT hams is a significant fund raiser for your Council. The Ham Committee needs your support to make this year the BEST we have ever had, so please start to share the word and start preparing your orders. We need every Member to participate.

Vitto Foods in Sudbury has supported our Council for many years preparing these wonderful hams and this year our 2 kg Hams will have the special price of only \$30.00. Indeed, a spectacular value.

Please let us know if you have any questions

# Humour

A woman brought a very limp duck into a veterinary surgeon. As she laid her pet on the table, the vet pulled out his stethoscope and listened to the bird's chest.

After a moment or two, the vet shook his head and sadly said, "I'm sorry, your duck, Cuddles, has passed away." The distressed woman wailed, "Are you sure?" "Yes, I am sure. Your duck is dead," replied the vet.

"How can you be so sure?" she protested. "I mean you haven't done any testing on him or anything. He might just be in a coma or something."

The vet rolled his eyes, turned around and left the room. He returned a few minutes later with a black Labrador Retriever. As the duck's owner looked on in amazement, the dog stood on his hind legs, put his front paws on the examination table and sniffed the duck from top to bottom. He then looked up at the vet with sad eyes and shook his head.

The vet patted the dog on the head and took it out of the room. A few minutes later he returned with a cat. The cat jumped on the table and also delicately sniffed the bird from head to foot. The cat sat back on its haunches, shook its head, meowed softly, and strolled out of the room.

The vet looked at the woman and said, "I'm sorry, but as I said, this is most definitely, 100% certifiably, a dead duck."

The vet turned to his computer terminal, hit a few keys and produced a bill, which he handed to the woman. The duck's owner, still in shock, took the bill. "\$150!" she cried, "\$150 just to tell me my duck is dead!"

The vet shrugged, "I'm sorry. If you had just taken my word for it, the bill would have been \$20, but with the Lab Report and the Cat Scan, it's now \$150."
