NOVEMBER 2022

President's Message

Don Delongchamp

Hello fellow members, well the cooler weather is here to stay for awhile, and we can expect the white stuff any time now.

Our September meeting was held at Curl Sudbury, and we had a great turnout. I thank all of you who attended.

We are now taking orders for our Ham Sales Program. Once again, we need your help and support. If you purchase or sell one or two hams it will go a long way to achieving this year's goal. Let's get behind this effort and make it the best year ever. So many people are depending on all of us to make it through this cold and snowy winter we have coming up.

As many of you know we help at Delta Bingo on Saturday evenings every other month. This is our biggest ongoing fundraiser of each year. If any member is interested in volunteering at these bingos all it takes is a 30-minute training session online. We have a very simple job of walking around and picking up discarded Bingo cards

and food containers. We also call back the odd serial number on a card to verify a Bingo. It only involves two hours per session. It is a fun evening and a great way to promote our club to the public. If anyone is interested in doing this, please contact me and I will put you in touch with our Bingo Chairperson.

Our November Remembrance Day meeting will be held at the Falconbridge Legion at 66 Edison St. in Falconbridge. We would love to see you there for a nice social evening out and to support our Veterans. If Stephanie does not have you on her regular call list, you can contact myself or any member of the executive and we will be more than happy to reserve your spot.

In closing I hope to see many of you at one of our upcoming meetings. These are a very low cost and interesting social night out that I'm sure you will enjoy.

Stay Safe and Stay Healthy

Secretary's Thoughts

Connie Zwarich

October's meeting is much later in the month so therefore I do not have a report on the meeting. Here are some of my musings.

I don't know about you but lately I am receiving so many scam e-mails and phone calls. Like the CRA is sending law enforcement to arrest me if I don't reply to their call. The government is going to give me a bonus for being vaccinated. Isn't protection against the virus enough of a benefit? My Netflix or Amazon payment did not go through. Funny, my bank statement says it did. Please be vigilant. Remember these businesses or government services will not contact you in this manner. Just delete the email or hang up.

I recently had to book a hotel in Sault Ste Marie and I used our UCT hotel discount. I got 20% off the "Best Available Rate". All I had to do was use the 877 number listed on the Benefits Sheet and mention the corporate code. If you are interested in any of the benefits check the Benefits sheets and use the phone number provided, especially if you are interested in insurance through BrokerLink. It will ensure that you get to a representative that is knowledgeable about that benefit.

We have some great benefits. Share the information with your friends and family. It might entice them to join. Look for our phone panel on the Children's Telethon, December 3rd. Myself, Don Delongchamp, Tracey Urso, and Doug Honeyford will be manning the phones from 6:00 to 7:00 pm. Call in with a donation. After that we will be doing a \$1000 cheque presentation to the Telethon from our Council.

How You Can Help Our Council

There are many ways to help make our Council great. You don't have to attend the meetings, but we would love to see you.

Here are some suggestions:

- 1 Be a BINGO volunteer
- 2 Promote our Council with friends
- 3 Sell or buy our hams
- 4 Join in our projects – Adopt a Road, Touch a Truck, Annual Golf Tournament, Curling team
5. Share your ideas with us
- 6 Pay your membership when it comes due.

Membership Matters

Your Sudbury UCT Council depends on you to accomplish all the wonderful community projects throughout the year. During the next few weeks your Membership along with your fellow Members will make a huge donation to The Salvation Army for their Christmas drive, The MCTV Children's' Telethon, Local Food Banks, The Elgin Street Mission, The Heart and Stroke Fund, and the Sudbury Manitoulin Children's Foundation so please when you receive your Membership renewal make sure you pay it right away. Your few dollars really do make a difference, collectively we do a lot.

Humour

Two Canadians die and end up in Hell. Satan decides to pay them a visit, so he walks into their room and sees them talking and laughing. Confused, he asks them why they're happy. They tell him, "Well, we're so sick of the cold where we're from, and this place is nice and toasty." Satan, annoyed, storms away and goes to Hell's boiler room, where he turns up the temperature. He goes back to the Canadians' room, along the way being begged by all sorts of people to put the heating back down. He enters the room to see the Canadians having a barbecue. Furiously, he asks them what they're doing. "Well, we can't pass up this wonderful weather without getting out the barbecue!" Satan realizes he's been doing the wrong thing. He goes to the boiler room and turns it down until it's at a colder temperature than ever seen on earth. He knows he's won now, so he goes back to the Canadians' room, only to see them jumping up and down in excitement. He shouts at them in fury, "WHY ARE YOU STILL HAPPY?!?!?" They look at him and shout at the same time, "Hell froze over! That means the Leafs won! I apologize to all the Leaf's fans, but it is funny!"
